

AN AMERICAN PARODY on the old Song of
"RULE BRITANNIA."

I.

"WHEN Britons first, by Heaven's Command,
" Arose from out the azure Main,
" This was the Charter of the Land,
" And Guardian Angels sung this Strain:
" Rule Britannia, rule the Waves,
" Britons never will be Slaves."

II.

To spread bright Freedom's gentle Sway,
Your Isle too narrow for its Bound,
We trac'd wild Ocean's trackless Way,
And here a safe Asylum found.
*Rule Britannia, rule the Waves,
But rule us justly—not like Slaves.*

III.

While we were simple, you grew great;
Now swell'd with *Luxury* and *Pride*,
You pierce our peaceful free Retreat,
And haste t'enslave with Giant-stride.
*Rule Britannia, rule the Waves,
But rule us justly—not like Slaves.*

IV.

"Thee haughty Tyrants ne'er could tame;
" All their Attempts to pull thee down,
" Did but arouse thy gen'rous Flame,
" And work their Woe, and thy Renown.
" Rule Britannia, rule the Waves,
" Britons then would ne'er be Slaves."

V.

Let us, your Sons, by Freedom warm'd,
Your own Example keep in View,—
'Gainst TYRANNY be ever arm'd,
Tho' we our TYRANT find—in you.
*Rule Britannia, rule the Waves,
But never make your Children Slaves.*

VI.

With Justice and with Wisdom reign.
We then with thee will firmly join,
To make thee Mistress of the Main,
" And ev'ry Shore it circles thine."
*Rule Britannia, rule the Waves,
But ne'er degrade your Sons to Slaves.*

VII.

When Life glides slowly through thy Veins,
We'll then our filial Fondness prove,
Bound only by the welcome Chains
Of Duty, Gratitude and Love.
*Rule Britannia, rule the Waves,
But never make your Children Slaves.*

VIII.

Our Youth shall prop thy tottering Age;
Our Vigour nerve thy feeble Arm:
In vain thy Foes shall spend their Rage,—
We'll shield thee safe from ev'ry Harm.
*Rule Britannia, rule the Waves,
But never make your Children Slaves.*

IX.

For thee we'll toil with chearful Heart,
We'll labour—but we will be free—
Our Growth and Strength to thee impart,
And all our Treasures bring to thee.
*Rule Britannia, rule the Waves,
We're Subjects—but we're not your Slaves.*
